

# CULTURAL IMPACT NOW!

## Recommended Accommodation in Ebeltoft

We recommend that you book your accommodation as soon as possible, as the conference takes place in the main holiday season in Ebeltoft and Denmark.

We also warmly recommend that you arrange to share a room with colleagues and friends (if possible) in order to get a good price and to use the available accommodation capacity as sustainably as possible.

\* If you book any of the options below, please use the conference booking code where it is specified.

\* **ENCC and TEH members** have special reservation arrangements, which will allow you to live together with other members of your network. You can book other accommodations as well.

\* How it works?: When registering for the Conference, you can book accommodation right away with the promo code that we'll send you in the confirmation email. Mind, that the dates for this accommodation are pre-set and cannot be negotiated.
